

Lofty Ideas

With Craig Wilkinson, of Re-style Loft Conversions Ltd. www.restyleloft.co.uk

HIGH there!

Fiona and Wayne Coulson asked Re-Style Loft Conversions to transform their roof space into a master bedroom and separate bathroom

Don't waste space! Re-Style Loft Conversions can transform your dusty loft into a splendid bedroom - which is what they did for Fiona and Wayne Coulson in Lodge Moor.

They originally only wanted an extra bathroom in their four-bedroomed detached home, but realised this would mean losing space in existing bedrooms. Then they read about Re-Style in Grapevine and look upwards - to their loft.

They realised the empty space there could become a fifth bedroom and second bathroom.

Says Fiona: "I called Re-Style and explained

Fiona in her new loft space - complete with shower

we wanted a large bathroom with plenty of head room because my husband is over six feet tall. We had read about Craig's loft conversions in Grapevine, and when we met him we were very impressed with his friendly, professional and straightforward approach. We immediately trusted him, and did not bother getting other quotes."

Restyle fitted steel beams, joists and floorboards, installed a new staircase and six Velux windows - four in the bedroom and two in the bathroom. A staircase was fitted to match the existing one, and was installed without losing bedroom space on the first floor.

The Coulsons selected a bathroom suite and Re-style fitted it, as well as a power shower with remote control, mocha-coloured floor tiles and beige wall ones that featured an intricate mosaic border. The project was completed on schedule in seven weeks.

Says Fiona: "Re-style were fantastic from start to finish. We are very happy with the finished loft conversion. All the workmen were clean and tidy, and arrived at 7.45 every morning. They were lovely - and we miss them so."

Re-Style Loft Conversions deal with all necessary planning permissions and building regulations. They offer a complete design and construction service.

The company's qualified joiners, plasterers, electricians and plumbers ensure every loft conversion is completed to the highest standards.
